METALS

Manufacturer, Distributor and Exporter of
Ferrous & Non-Ferrous Metals in various forms.

Our Mission

To deliver highest quality products and full-fill our customers requirement in a timely manner.

Our Vision

Our vision is to grow into large enterprise and be a single point destination for all metal requirement.

ABOUT US

OUR FACILITIES

Labdhi Metals have a sound infrastructure. Our spacious warehouse has the capacity to store large quantities of products. We possess a team of experts who are sourcing products of international standard to keep abreast with the global markets. Our quality professionals have served as a beacon not only for us but also for the entire industry in establishing top-notch quality standards.

Why Choose Us?

- We ensure that finest quality material is used for our products.
 - For ensure the quality of each material, we are providing Materials Test Certificate along with supply.
 - Our team of experts maintain a vigil on the quality of the products.
 - Every single piece is attached with test certificates and reports.
- We are continually improving our quality to serve our clients better.

Our Services

Quality Control

At Labdhi Metals, quality is one of the most important principles of business. We have strict quality control processes in place to ensure that every product we deliver is up to the mark. Right from sourcing raw materials to delivering the final product quality tests are performed at every stage.

Quick Response

At Labdhi Metals, you will be talking with experts with more than two decades of experience. You will be delighted to receive instant responses and quick quotes for your requirements.

Packaging & Delivery

Labdhi Metals provides top notch packaging for overseas and air transports. We provide all necessary documentation like commercial invoices, packing list, certificate of origin, fumigation certificates, raw material test reports, material traceability records, quality assurance plan, test certificates, MTC, Heat treatment charts as may be required by our customers.

Robust Logistics

We offer price basis depending upon your prerequisites. It can be founded on past works, FOB, Nhava, Sheva, CFR, CIF and CPT, your destination port or your way to the door to door delivery duty which can be paid or unpaid.
